# **Statement of Accounting Policies**

# Kerikeri Cruising Club Incorporated For the year ended 30 June 2018

#### **Basis of Preparation**

The entity has elected to apply PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) on the basis that it does not have public accountability and has total annual expenses equal to or less than \$2,000,000. All transactions in the Performance Report are reported using the accrual basis of accounting. The Performance Report is prepared under the assumption that the entity will continue to operate in the foreseeable future.

#### **Presentation Currency**

The Performance Report is presented in New Zealand dollars (NZ\$) and all values are rounded to the nearest NZ\$.

#### Revenue Recognition

Sale of goods is recorded when the goods are sold (usually when the goods are received by the purchaser).

Donations - Revenue is recorded when the cash is received, except where there are use or return conditions, in which case the revenue recorded as the conditions are met.

Donated assets - Significant donated assets are recorded on receipt at readily obtainable values. Other donated assets are not recognised as revenue and are detailed in the Notes to the Performance Report.

Commission - Revenue is recorded when the commission is receivable.

Provision of services are recognised on a stage of completion basis.

Rental revenue is recorded on a straight line basis unless another systematic basis is representative of the user's benefit.

Interest income is recorded as it is earned.

Participatory Securities - The participatory securities are the licences to use marina berths within the Marina. The full value of the licences was received as an upfront payment at the time they were originally sold, and was recorded as income in advance. The revenue is recognised on a straight line basis over the term of the licences, which expire 21 September 2018. There is no obligation for the club to purchase the Marina Berth Licences on the 21st of September 2018 from the licencees.

Royalties - Revenue is recorded when royalties are earned.

#### **Bank Accounts and Cash**

Bank accounts and cash in the Statement of Cash Flows comprise cash balances and bank balances (including short term deposits) with original maturities of 90 days or less.

#### Inventories

Inventories are recorded at cost and if become impaired, written down to lower of cost and selling price.

#### **Trade Receivables**

Trade receivables are initially measured at the amount owed. When it is likely that the amount owed, or some portion, will not be collected, an impairment adjustment is recorded. Interest charged on overdue amounts are added to the individual debtor balance.

#### Property, Plant and Equipment

Items of property, plant and equipment are initially recognised at cost. Historic cost includes items of expenditure directly attributable to the acquisition of assets and includes the cost of replacements that are eligible for capitalisation when these are incurred. Land, buildings and the marina were historically measured under the revaluation model. With the transition to PBE standards the society ceased to revalue for financial reporting with 1 July 2014 forming the effective date for deemed cost.

Items of property, plant and equipment are subsequently measured under the:

• Cost model: Cost (or fair value for items acquired through non-exchange transactions) less accumulated depreciation and impairment.

All other repairs and maintenance expenditure is recognised in the Statement of Financial Performance as incurred.

Depreciation is calculated on a straight line for buildings and a diminishing value or straight line bases for plant and equipment, furniture and fittings and office equipment which will write off the costs of the assets over their expected useful lives. The following estimated useful lives have been used:

Land: not depreciated
Buildings: 10 - 40 years
Plant & Equipment: 1 - 18 years
Club Furniture & Fittings: 2 - 5 years
Marina Plant & Equipment: 2 - 18 years
Marina Office Equipments: 2 - 18 years
Property Improvements - Marina: 8 - 50 years
Marina: 15 - 25 years

#### Investments

Investments are recorded when purchased and are recorded at cost. If it appears that the carrying amount of the investment will not be recovered, it shall be written down to the current market price. Any impairment expense is recorded in the Statement of Financial Performance.

#### **Creditors and Accrued Expenses**

Creditors and accrued expenses are recorded at the amount owing at balance date.

#### **Employee Costs Payable**

Employee costs payable include wages and salaries, annual leave and PAYE payable at balance date. They are recorded at the amount to be paid.

#### Goods and Services Tax (GST)

The entity is registered for GST. All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.

#### Income Tax

No income tax asset or liability has been provided for in the financial statements as the club is an amateur sporting organisation and is exempt from all income tax pursuant to section CW 46 of the Income Tax Act 2007.

#### Changes in Accounting Policies

There have been no changes in accounting policies. Policies have been applied on a consistent basis with those of the previous reporting period.

During 2018 the Club paid committee members a total of \$1,801 (2017: \$2,869) for visitor pool payments.

There were no other material related party transactions with the Club staff or organisations that the staff have the power to influence.

#### 9. Events After the Balance Date

Kerikeri Cruising Club Incorporated continues to negotiate with the Far North District Council regarding a land swap situated near to the Cruising Club buildings. Should this negotiation proceed it is not expected to have a material impact on the value of the society land.

The Club is continuing to work through the process of putting in place an alternative to the Deed of Participation, see Note 4 for further details.

There were no other events that have occurred after the balance date that would have a material impact on the Performance Report (Last year - nil).

#### 10. Ability to Continue Operating

The entity will continue to operate for the foreseeable future.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
KERIKERI CRUISING CLUB INCORPORATED

#### Report on the Performance Report

#### Opinion

We have audited the performance report of Kerikeri Cruising Club Incorporated ("the Club"), which comprises the entity information, the statement of service performance, the statement of financial performance and statement of cash flows for the year ended date, the statement of financial position as at date, and the statement of accounting policies and other explanatory information.

#### In our opinion:

- a) the reported outcomes and outputs, and quantification of the outputs to the extent practicable, in the statement of service performance are suitable;
- b) the accompanying performance report presents fairly, in all material respects:
  - the entity information for the year ended 30 June 2018;
    - the service performance for the year then ended; and
    - the financial position of the Club as at 30 June 2018, and its financial performance, and cash flows for the year then ended

in accordance with Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) issued by the New Zealand Accounting Standards Board.

#### **Basis for Opinion**

We conducted our audit of the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report in accordance with International Standards on Auditing (New Zealand) ("ISAs (NZ)"), and the audit of the entity information and statement of service performance in accordance with the International Standard on Assurance Engagements (New Zealand) ISAE (NZ) 3000 (Revised) Assurance Engagements Other than Audits or Reviews of Historical Financial Information ("ISAE (NZ) 3000 (Revised)"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Performance Report section of our report. We are independent of the Club in accordance with Professional and Ethical Standard 1 (Revised) Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, the Club other than we format the financial statements of the incorporation.

#### Other Information

The General Committee is responsible for the other information. The other information obtained at the date of this auditor's report is information contained in the annual report, but does not include the performance report and our auditor's report thereon.

Our opinion on the performance report does not cover the other information and we do not express any form of audit opinion or assurance conclusion thereon.

In connection with our audit of the performance report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the performance report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of the General Committee for the Performance Report

The General Committee is responsible for:

- a) Identifying outcomes and outputs, and quantifying the outputs to the extent practicable, that are relevant, reliable, comparable and understandable, to report in the statement of service performance;
- b) the preparation and fair presentation of the performance report on behalf of the Club which comprises:
  - the entity information;
  - the statement of service performance; and
  - the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report

in accordance with Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) issued by the New Zealand Accounting Standards Board; and

c) such internal control as the General Committee determines is necessary to enable the preparation of the performance report that is free from material misstatement, whether due to fraud or error.

In preparing the performance report, the General Committee is responsible on behalf of the Club for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the General Committee either intends to liquidate the Club or to cease operations, or has no realistic alternative but to do so.

#### Auditor's Responsibilities for the Audit of the Performance Report

Our objectives are to obtain reasonable assurance about whether the performance report is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this performance report.

As part of an audit in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the performance report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve

- collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the use of the going concern basis of accounting by the General Committee and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the performance report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Club to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the performance report, including the disclosures, and whether the performance report represents the underlying transactions and events in a manner that achieves fair presentation.
- Perform procedures to obtain evidence about and evaluate whether the reported outcomes and outputs, and quantification of the outputs to the extent practicable, are relevant, reliable, comparable and understandable.

We communicate with the General Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### Who we Report to

This report is made solely to the Club's members, as a body. Our audit work has been undertaken so that we might state those matters which we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Club and the Club's members, as a body, for our audit work, for this report or for the opinions we have formed.
